All,

I just received the attached letter from Mr. King.

Apparently, a miscommunication occurred between EPA/Seattle and EPA/Anchorage regarding inviting the tribes. My email records show that for purposes of such invitations, I sent on June 11 to Ms. Holsman, Ms. Tyler, Ms. Thomas, and Ms. Anderson-Carnahan all the contact information (attached) for all six tribes that are signatory to the 404(c) letter. Yet, that information apparently did not get forwarded to Ms. Fordham. (I sent the same to her yesterday.)

The lack of that information apparently has resulted in the email string, pasted below, that starts out with not one of those six tribes included in setting up this meeting with Ms. Jackson and Mr. McClerran.

I trust this is now being straightened out. Please keep me informed. I recommend that all six tribes that requested 404(c) be invited. I also recommend that you include AIFMA and TU, both of which have supported the six tribes on 404(c), and have recommended that EPA coordinate with those six tribes.

Best regards,

Jeff Parker

Tami:

Tomorrow afternoon would work, however Billy Maines is in DC and I've cc'd Dorothy Larson, Curyung Tribe's Tribal Administrator. I've tried to contact Sue Flensburg at BBNA but she was out of her office today. I've alerted both Ralph Andersen, BBNA CEO and Arla Johnson BBNA Brownsfield Coordinator. If possible, can you send me a tentative travel schedule - that would assist Tribes in Bristol Bay with their travel planning efforts.
